

2008 CONFERENCE OF RESTORATION ELDERS

The 2007 Conference of Restoration Elders (CRE), by resolution, empowered the Coordinating Council of Elders (CCE) with the responsibility of determining the dates and length of the 2008 CRE. **The CCE is recommending that the 2008 CRE be held Sunday, April 6, 2008 through Wednesday, April 9, 2008 concluding at noon.**

The CCE hereby announces that the 2008 Conference of Restoration Elders will join in worship and other activities on Sunday, April 6, 2008 and convene for CRE business on Monday, April 7, 2008 at 10:00 am, following an 8:30 am service of worship and prayer. The CRE will continue in sessions of worship, business as needed, and other activities through Wednesday, April 9, 2008 and conclude at noon.

*It is understood that when the Credentialed Elders assemble for business they have the right to change the suggested agenda as well as the length of the conference. **It will be most helpful if all those planning to attend will register as soon as possible.** This will benefit those responsible for preparing the conference notebooks and name badges. There is no charge for registering.*
