

**NAUVOO  
YOUTH RETREAT  
March 27-29, 2020**

**Ages 12-18**

The Youth Council of the CRE has secured the Nauvoo House for the weekend of March 27-29, 2020. This is the house that Emma Smith lived in for many years after the death of Joseph Smith, Jr.

Nauvoo was extremely important in the early life of the church and many important events took place there. Because of this, we will tour many of the historic sites of Nauvoo, including The Homestead, The Mansion House, The Red Bookstore, the jail at Carthage, and David's Chamber.

This is a church retreat and it is organized for the express purpose of bringing youth together from different areas in the church for fellowship and the forging of friendships and allies in the cause of Zion. We pray for a ready willingness on the part of all participating to seek out the Holy Spirit at every opportunity.

We have a full slate of activities planned beyond touring the sites listed above as well. We will have great opportunities to share with youth from all over the church. So make your plans! Send in your reservation soon, as we are limited to 50 youth. The cost for the weekend is \$45.

Please send registration payments to CRE PO Box 4085, Independence, MO 64051; make checks payable to the CRE, and write *Nauvoo Youth Retreat* on the check memo line.

Below you will find a link to register for the retreat. The link will take you to an online registration form that includes our permission and release forms. All must be filled out completely. You will also find a list of stuff to take, and not to take, and the rules of the trip.
