

## SOLEMN ASSEMBLY PARTICIPATION DETAIL INFORMATION

Dear Brothers and Sisters,

Included here is information concerning where and how to participate in the September 27 Solemn Assembly, and preparation services and activities on September 25 and 26. **This communication contains a few updates to the one previously sent.** This information can also be found on the CRE website, [www.eldersconference.org](http://www.eldersconference.org) by clicking on **Solemn Assembly Information** link on the homepage. If you have any questions, please email [eldersconference7@gmail.com](mailto:eldersconference7@gmail.com).

### **Three Ways to Participate in the Solemn Assembly and Preparation Service**

There are three ways to participate in the September 27 Solemn Assembly and the preparation service at Living Hope Restoration Branch on September 26, from 2 to 4 PM. The three ways include:

1. **In person**—at the Waldo Ave Restoration Branch, or one of the 12 satellite locations, such as the Living Hope Restoration Branch. Satellite locations are locations where you can go and be with others, and share in the service, such as saying a prayer.

***September 27 – The Solemn Assembly*** will be held at the Waldo Ave Restoration Branch (RB) located at 819 W. Waldo Ave, Independence, MO. **The doors will open at 8:30 AM CDT, at 9:15 preliminary activities will begin, and the service will start promptly at 9:30.**

There is limited space at the Waldo Ave location, up to 450 in the Sanctuary, and 250 in gymnasium. At this time we are projecting that **over 1000** of you have expressed an intention on participating at the Waldo Ave RB location, of which around 400 of you have shared that you would be willing to participate at one of the four satellite locations in and around the CenterPlace. **These locations are Colbern Rd RB, Oak Grove RB, Odessa Hills Campground, and Living Hope RB. (See maps at the bottom of this email for directions) We encourage those of you who are willing to participate at one of these four satellite locations, to prayerfully consider doing so. Those that are interested in an outdoor venue are encouraged to participate at the Odessa Hills Campground.**

***Seating at Waldo Ave RB and other locations*** – Seating will be done on a first come basis. **There will be no saving of seats.** Families are encouraged to sit together to maximize allowed occupancy, but will need to enter at the same time.

***Parking at Waldo Ave RB*** – Due to limited parking at Waldo Ave RB, arrangements have been made for overflow parking at the Stone Church. There are two parking lots available there, one on the east side of N. River Blvd, the other on the west side. The lots are 3 blocks south of Waldo Ave RB, about a 5 to 10 minute walk. Shuttles will be running on a regular basis starting at 8 AM for those who may need them. We ask that you consider parking in these overflow lots, instead of on the streets in the neighborhoods surrounding the Waldo Ave RB. If you do decide to park on the surrounding streets, we ask that you not block anyone's driveway, or encroach on them in any way.

## SOLEMN ASSEMBLY PARTICIPATION DETAIL INFORMATION

**September 26 – The Solemn Assembly Preparation Service** will be held at the Living Hope RB from 2:00 to 4:00 PM. Space is limited to 225 participants at this location. Parking is limited as well. We encourage you to prayerfully consider participating at one of the other three satellite locations in the CenterPlace for this service. **These locations are Colbern Rd RB, Oak Grove RB, and Odessa Hills Campground. The service will be available at all satellite locations through technology, as well as through Zoom and “Live Stream.”**

**Food and Drink** – Water bottles are OK in the sanctuary, as well as discreet snacks if needed for dietary reasons. Please bring your personal water bottle. A limited amount of bottled water will be available.

**Masks** – While a limited supply of masks will be available at the various locations, we encourage you to bring your own masks.

**Accessibility Concerns** – Those with accessibility challenges, such as using a wheelchair, are encouraged to arrive early.

**Satellite Locations** - In addition to the four satellite locations in the CenterPlace, there are six other locations throughout the US, and two International locations. Those attending at satellite locations will be able to participate and interact in the service as if they were at Waldo in-person. **Table A – Solemn Assembly Satellite Location information** details information about each of the satellite locations.
