

## WALDO AVENUE

The Waldo Ave. Restoration Branch women's group is trying to start small groups so we can follow the scriptures admonition for the older women to teach the younger women. This would involve the older women teaching classes on how to can, sew, home decor, sharing testimonies, and witnessing. We feel that all of the women have gifts and talents to offer to one another; it is just finding what our gifts are and using them to better the kingdom that slows us all down. We want the women to get to know one another better, so that we are more like sisters rather than acquaintances that meet once in a while.

We are starting a study group, to study Isaiah, that will meet at different homes of the women. Our desire is that we can be a part of the cause to build Zion by learning to be one.
