

There is a "saying" in today's culture that has become very popular "What Would Jesus Do?" To truly understand Jesus and what He would do - we have to learn about Him and His ways. The scriptures are filled with testimonies of people who have had to learn to follow God through all kinds of circumstances. People who are not much different than you or I; sometimes they were successful and sometimes they failed. But their lives are recorded for a purpose, and that is for us to gain strength and to learn from their examples.

In the Center Place we are blessed with choice! We can choose which church we want to attend, and which bookstore will give us a better bargain on church materials, etc. Encouraged by the response of our newsletter, we began to look for more ways in which we could provide more ministry, especially to those Saints who are in areas where their choices are limited. It was decided that maybe we could use the Internet as a way in which we could study together as a group of Saints.

Beginning August 1, 2001, the Women's Council will be offering an Internet Study Class. The class will be put on the Internet every two weeks for you to download, distribute and study. If you should have questions or comments - you will be able to wire us and a response will be given. These classes will be done on a trial basis - if they ministry to you we will continue.

The last days are upon us and we no longer have the luxury of time - let us grow together - starting now!!
