

Tuesday 4/9/2024 Morning Session

Ray Phelps offered an opening prayer

Brian Mundy offered a prayer of thanks for the ministry of those who went on to their reward in the last year.

Brian Mundy called the Conference and this business meeting to order at 10:11am. He then turned the Chair to Coordinating Council Chairman, Larry Cottrill, to take nominations and vote for Chairman.

Jay Havener nominated Brian Mundy. No other nominations were made. Brian was approved as Chairman.

Jason Anderson read the names of Elders that the Credentials committee approved to be seated at this Conference. See the list of names attached. Howard Parker moved and was seconded that all the names approved by the Credentials committee and read by Jason be seated by the Conference. Motion carried.

Approval of agenda on page 1.6-7. Jay Havener moved to approve as printed. Motion seconded. Motion carried.

Approval of Conference Week Budget as show on page 2.5. Motion to approve by Larry Cottrill. Motion seconded. Motion carried.

Treasurer Ray Lane mentioned that those not attending personally may contribute online or by check if they wish to contribute to the costs associated with Conference week.

Council Reports – Brian referred the Conference to Section 4 to read the reports from each Council. Council reports were received in the order presented in Section 4. Opportunity for each Council to add to their report was provided as well as opportunity for questions to the Councils from the floor.

Jack Hagensen moved and motion was seconded that the Council Reports be received. Motion carried.

Brian encouraged everyone to join via Zoom when not possible to be present in person.

Richard Neill informed the Conference that the Joseph Smith 3, Israel A Smith Historical Society has a table downstairs with information about the work they are doing. They own the Joseph Smith 3 home and are in the process of renovating. There is a need for historical research and they have acquired material for this purpose.

Meeting adjourned with a prayer by Tom Mitchell at 10:56am.
