

THE HOPES OF MY PEOPLE

That the priesthood of all the Restoration groups will work together again as brothers respecting each others' calls and minister together again setting a good example for the saints.	To take action...put into play what we know we should be doing instead of allowing everything else be the priority.
A people of one heart one mind	To get everyone involved instead of just a few. Get a fire in people's hearts to serve and work for the Lord.
A tithed people	United between all branches
No rich or poor amongst them,	Spiritual gifts
The city new Jerusalem	Focus on social gospel
That my family would be united in our worship and service of the Lord.	I want to share something that will motivate people to seek Their God with their whole heart, mind, strength, might and that personal worship encounter.
That our son and others who have left the Lord will return to the life God wants them to be living.	Physically move residents into close neighborhoods
Slow down against the pace of the world and recognize God at work in His Church.	Help each other with tasks, equipment
Lead together	Worship and study together as in a reunion, then go outside to others.
Individually and collectively understand from the Lord our work for the cause of Zion.	The church that The Lord Jesus restored to the earth; one body with the different parts each serving the body. The body of Christ.
Jesus return soon to set the church in order.	Hope to see us encourage our women & youth become more engaged in our work (to empower them)
When He does call and endow them for the work going to the nations.	Hope to see us become more valiant in our testimony.
That my children walk in truth	Spiritual power in the church
That those who have fallen away will come back to the fold	Seeing all the gifts in church
That I can do ministry work.	Zion as a reality
That God's people will see & comprehend the truth of what is important.	Church in order in vision mission purpose
That the Lord will be found, deeply rooted in the hearts of His people.	Everyone & 100% all earth
That we will treasure the word of God & be alive in the life & worship we exhibit before Him as an example to those around us.	Zion for world
That unity will prevail in the church of Jesus here on earth.	To be called Zion
The restoration to become one.	Unity by and through the Spirit
A district president to be chosen.	Gathering of the house of Israel
Districts be made up.	Bring others (friends/family) to the family of Christ
The restoration groups become a people of one heart and one mind.	Bring people together, healing
The endowment	Establishing Zion
Christianity at large became a people of one heart and one mind.	Unity across all the branches
Worldwide submission to Jesus Christ as Lord. Savior and redeemer.	An ignited spirit of charity
I hope people will realize the importance of serving in their congregations and in the church and not set back doing nothing.	Recapture the spirituality and wonder of the saints as in the beginning of the church.

I hope the congregations in the Center Place can come together and work together and not be independent and doing their own thing.	Youth of the church active and engaged
Have mercy and Truth to our favor.	His gospel to be spread and accepted throughout the world
The message of sanctification and how it is to be accomplished will become clear.	People will repent!!

No contentions, more communication between groups, councils.	My children will embrace the truth and come unto the Lord
Unifying the branches	The kingdom will be established in my time.
Following the commandments better	To testify of the love of Jesus Christ through my life.
No contentions	Hope that there would in time be a storehouse.
Hope that many members of various factions will be reunited in establishing Zion.	Hope that in time, the priesthood in outlying areas would push the saints to the Center Place
Hope the Priesthood receives To thi the endowment soon.	Hope that one day the Centerplace would be prepared to receive those saints.
Hope to see Zion in my lifetime.	The youth of the church becomes revitalized
We would become one as a people.	A place and a people to give the world something to look to.
We invite all to Christ by how we live around the world.	The saints bear affirmation testimony of blessings & miracles - and that we are aware of these blessings by the power of His Spirit.
We would live together as a people ultimately in Zion.	I want to have more opportunities to learn how to witness to others. I'd like to witness to everyone in my community of Yah's love and desire for our friendship.
I have heard much from the Holy Spirit about how to sanctify. I hope that this information or encounter will be fruitful for the kingdom.	That the people of the city of Zion become the people of Zion.
To think with one mind.	That we will come to Zion as unified families. I hope that we would reach out to other restoration groups to see how we might become unified.
Children to know God	[I] hope that my husband who is an ordained priest might see something in you or me that will spur him to seek his preparation for Zionic living.
That we could become united or become one.	Let's learn to seek the Lord for his will and way in each life.
That we will share the gospel message	Pray for those who Tarry
That Jesus will come quickly.	Daily Devotionals
To be united as a church instead of individual branches	Pray for the person / people that the Lord puts in the leadership
That we may cause the establishment of Zion. right here on earth soon
