

Transformed and Renewed By Knowledge
April 7th, 2026, Teacher Pat Chadwick

DC 85:21b-21c 21b And I give unto you a commandment, that you shall teach one another the doctrine of the kingdom; teach ye diligently and my grace shall attend you, that you may be instructed more perfectly in theory, in principle, in doctrine, in the law of the gospel, in all things that pertain unto the kingdom of God, that is expedient for you to understand; 21c **of things both in heaven, and in earth, and under the earth; things which have been; things which are; things which must shortly come to pass.**

We Need to Seek Out Knowledge, Knowledge of God in the Visible and Invisible World, Knowledge that Testifies of Him

Proverbs 18:15 The heart of the prudent **getteth knowledge**; and the ear of **the wise seeketh knowledge**.

Isaiah 5:13 **Therefore my people are gone into captivity, because they have no knowledge**; and their honorable men are famished, and their multitude dried up with thirst.

1 Peter 1:5 And besides this, giving all diligence, add to your faith virtue; and to virtue, **knowledge**;

DC 90:4bYe were also in the beginning with the Father; that which is Spirit, even the Spirit of truth; **and truth is knowledge of things as they are, and as they were, and as they are to come.....12** And verily I say unto you, that it is my will that you should hasten to translate my Scriptures, and to **obtain a knowledge of history, and of countries, and of kingdoms, of laws of God and man, and all this for the salvation of Zion. Amen**

All Things Were Created to Bear Witness of God

"All things created either temporally or spiritually by God have a 'spiritual' or sacred purpose. This is the unity of wholeness of God's creation.

This is the wholeness which God seeks to see established in the kingdom of God on earth expressed in the wholeness of personal and group life. **All things have eternal purposes built into them."**

Ray Zinser "the Word of Christ" p.31

Gen. 6:66 And, behold, all things have their likeness; and **all things are created and made to bear record of me**; both things which are temporal, and things which are spiritual; **things which are in the heavens above, and things which are on the earth, and things which are in the earth, and things which are under the earth, both above and beneath, all things bear record of me.**

All Things Both Spiritual and Temporal Are Sacred

DC 28:8c that the first shall be last, and the last shall be first in all things, **whatsoever I have created by the word of my power, which is the power of my Spirit; for by the power of my Spirit, created I them;**

8d yea, all things both spiritual and temporal: firstly spiritual, secondly temporal, which is the beginning of my work; and again, firstly temporal, and secondly spiritual, which is the last of my work;

9a Wherefore, verily I say unto you, that all things unto me are spiritual, and not at any time have I given unto you a law which was temporal, neither any man, nor the children of men;

neither Adam your father, whom I created

.....9c for my commandments are spiritual;

they are not natural, nor temporal,

neither carnal nor sensual.

Secularization

“**Satan, the evil one, is the author of secularization—seeking to separate the sacred and the secular, seeking to prevent the achievement of the ‘wholeness’ of life on earth, and seeking to prevent ‘natural’ man from becoming the ‘spiritual’ man.**

Knowledge is power and this power can be used for the benefit of man or for the destruction of man. **If the knowledge is sought within the counsel of God, the knowledge will be used for eternal purposes.**

The counsel of God includes the divine frame of reference for truth as**things as they are, and as they were and as they are to come”**. Ray Zinser, Word of Christ p.32

Never has the world known so much scientific truth as witnessed in the explosion of knowledge today, and never has the world been more capable of and closer to self destruction.

Ray Zinser, Word of Christ p. 31

O’ That Cunning of The Evil One

“There is a treacherous attempt by the temptations of the evil one to explain away God as the imaginations of a person’s mind—using science to explain away God as a ‘figment of one’s imagination’.”

Ray Zinser “The Word of Christ” p46

2 Nephi 6:57 O that cunning plan of the evil one!

58 O the vainness, and the frailties, and the foolishness of men!

59 When they are learned, they think they are wise, and they hearken not unto the counsel of God, for they set it aside, supposing they know of themselves;

60 Wherefore, their wisdom is foolishness, and it profiteth them not. And they shall perish.

61 But to be learned is good, if they hearken unto the counsels of God.

“**Part of the perilous times of the last days prophesied in the New Testament is related to secularization.**”

Ray Zinser “The Word of Christ” p32

2 Timothy 3:7 Ever learning, and never able to come to the knowledge of the truth

2 Timothy 4:4 And they shall turn away their ears from the truth, and shall be turned unto fables.

“**Part of the fable of the latter day is the secularization of the university and the scientific world so that only partial truth can be known by this process.**

Ray Zinser, “Word of Christ” p. 32

We are indeed living in a generation that is ever learning and never able to come to a knowledge of the truth. Many educational institutions training our children/youth are urging support of the notion that truth can be discovered only by scientific method. . . **God has created science. . .rather than science creating God. God is the creator of the heaven and earth through his only Begotten Son, Christ. All the laws of the visible and invisible world were created through Christ.”** Ray Zinser, “The Word of God,” pg. 42

When Faith and Science Work Together

Mosiah 2:13 Believe in God; believe that he is, and that he created all things both in heaven and in earth; 14 Believe that he has all wisdom, and all power, both in heaven and in earth; 15 Believe that man doth not comprehend all things which the Lord can comprehend.

Hebrews 11:1 Now faith is the assurance of things hoped for, the evidence of things not seen.

The Mysteries of God Revealed Through the Holy Spirit

George Washington Carver's Prayer

He prayed to understand the universe and **God said that is too big**, He prayed to understand this earth and mankind and **God said think smaller**.

Seeing a peanut on his table he prayed to understand the peanut and **God told him how to do that**.

God placed in his mind **"break it down into components and studying them"**.

Carver broke the peanut into its various parts: water, fats, oils, gums, resins, sugars, starches, pentoses, pentosans, amino acid. Then he mixed the ingredients in various ways, sometimes applying heat or pressure to the mixtures.

The result? Hundreds of products developed from peanuts, everything from chili sauce, butter, milk and shampoo to shaving cream and glue.

He discovered 300 uses for the peanut. Carver's willingness to mix faith and science won the admiration of evangelicals throughout the United States.

Jonas Salk Given Insight

He prayed to understand what needed to be done to complete the polio vaccine and he said:

"It was as if a light came on in my mind and I knew what we needed to do."

DC 83:7c and the Spirit giveth light to every man that cometh into the world; and the Spirit enlighteneth every man through the world, that hearkeneth to the voice of the Spirit

Jonas Salk chose not to patent his 1955 polio vaccine, making it more affordable for the millions of people who needed it.

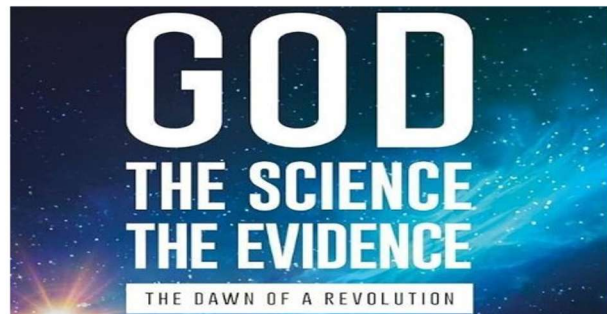

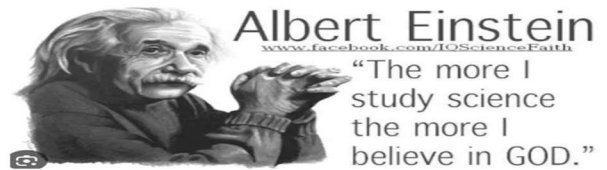

As a result, he missed out on earning an estimated US\$7 billion. Thank you, Dr Salk (1914 – 1995).

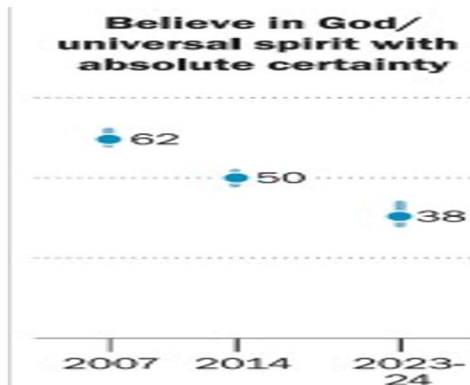

Science Was a Gift From God

“**Science itself was a gift from God to man kind to allow, within its sphere of operation, the discovery of those truths susceptible to scientific measurement and verification.** The problem with today’s world is that **science has become a god rather than the revelation of God.....**The restoration of the Church of Jesus Christ has a fundamental purpose to restore the ‘fullness’ of the gospel, the fullness of the word of Christ which is the ‘fullness’ of truth from all sources. **The thundering call of the restoration is:seek learning even by study, and also by faith. Sec.85:6a**

Zinser, “The Word of God” p.46

We Need to Share the Knowledge That God Does Exist
Pew Research Center Poll
December 2025 =
People 18 to 24

In years past, in the church, the main goal was to enlighten people as to the truth of our doctrine and beliefs and convert them to our denomination. The majority of the people were already Christians.

Now the task is more challenging. First, we must bring many of them to a belief in God, and the truth of His Words as recorded in Scriptures.

To do this we need not only a good knowledge of the scriptures but knowledge of the world around us, for we live in a scientific age.

Pew Research Says:

- **Religiously unaffiliated adults are people who describe themselves as atheist, agnostic or “nothing in particular” when asked about their religion. We sometimes call this group the religious “nones.”**
- **Among adults ages 18 to 24, 26% are former Christians, now considered “Nones”**

Good News = Christianity Today New Interest by Youth in God/Religion

GEN Z AND GEN ALPHA, DEFY EVERY

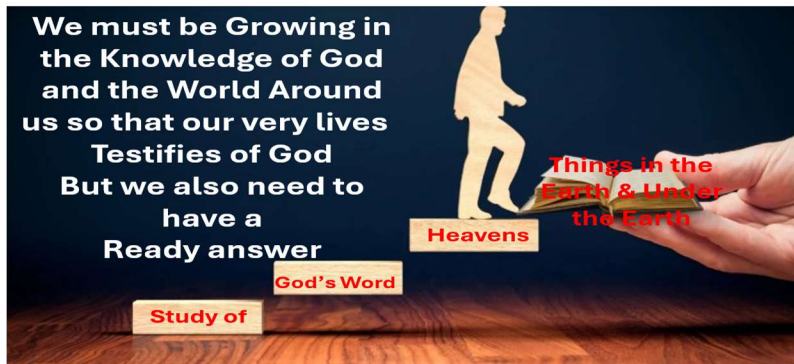

PREDICTION ABOUT DECLINING RELIGIOUS ENGAGEMENT

And the findings of our recent research support this shift. There has been a **16 per cent increase in young people believing in God. Gen Z and Gen Alpha value transparency.... They want to see faith lived out in practical ways that address real-world problems. They’re drawn to communities that practice what they preach about love, justice, and compassion.**

Overall, Gen Z presents both challenges and opportunities for the Christian community as they navigate their faith in a rapidly changing world.

As a People We Must Be Transformed by Our Faith and Knowledge.
 We Must Be Living Examples of Light and Truth, Ready to Share Our Faith, Scriptures,
 Testimony and the Scientific Knowledge available to us today of the Living God.
 Note that Gen Z and Gen Alpha want to see religion lived out in people's lives.
 They are looking for people who will actually live out the words of Christ in their lives.
 We have to ask ourselves; will they see Christ in the way we live, work and play?
 Are we salt and light to the world? See = Matthew 5:13-16

Transformed By Knowledge of Scripture and Science Which Both Testify of God

On our earthly journey we need to continually grow more Christ like. **This includes such things as Scripture Study, Prayer, Meditation, Fasting as well as exhibiting the gifts of the Spirit Love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control in our lives.**

We need to prepare ourselves to be servants and ambassadors of Christ. **We need to be knowledgeable people, who can witness to others. We need to be salt and light, living out our beliefs. Prepared to Testify!**

Alma put science and scripture together. Alma 16:54-55

New Science Points to Intelligent Design

True science points to God and not away from God

In fact, modern science first flourished because of the Christian Biblical worldview

Modern science has given us two discoveries that point to God...

1. The discovery the universe has a beginning
2. The fact that our universe is finely tuned for life

The term "fine-tuning" in physics refers to properties of the universe that fall within extremely narrow and improbable ranges that turn out to be necessary for life. They are called fundamental constants of nature. These fundamental constants seem perfectly tuned to allow life to exist. If they were even a little bit different, we simply wouldn't be here

What Is Theoretical Physics? It is Understanding the Science Behind the Universe

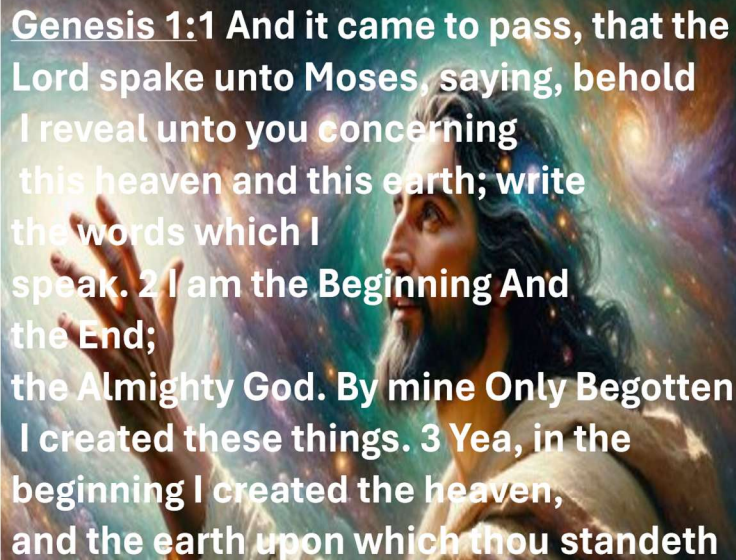

**If There is Intelligent Design
There Must Be a Designer = God**

The evidence is overwhelming.
The question is no longer whether God exists —
but whether you will submit to the truth.
“The heavens declare the glory of God.” — Psalm 19:1
“His invisible attributes are clearly seen through what has been made.” — Romans 1:20
Truth is not found by denying God.
Truth is found in
Jesus Christ.

Atheist philosopher Thomas Nagel
admitted honestly:
“I want atheism to be true... I don't want
there to be a God.”
That is not neutrality. That is bias before the
evidence

New Science Shows Intelligent Design By God

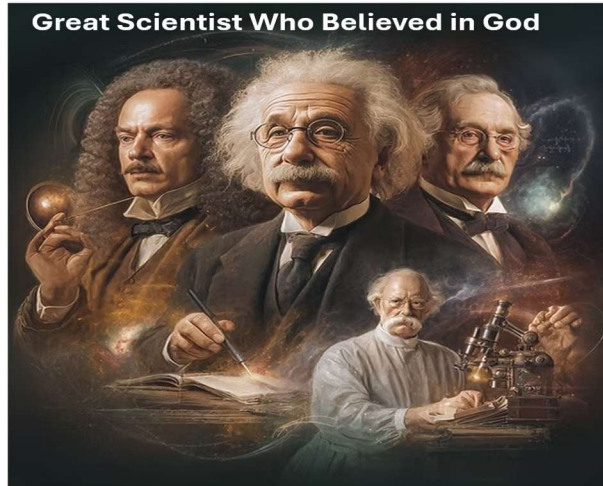

Genesis 1:1 And it came to pass, that the Lord spake unto Moses, saying, behold I reveal unto you concerning this heaven and this earth; write the words which I speak. 2 I am the Beginning And the End; the Almighty God. By mine Only Begotten I created these things. 3 Yea, in the beginning I created the heaven, and the earth upon which thou standeth

Many would have us to believe that the universe just appeared several billion years ago, without any creator or designer. **Yet today science is proving differently. Scientist today are finding new data that points to a creator and designer of the universe, just as the scriptures proclaim.**

A new poll by the **Associated Press-GfK** revealed that **51 percent of Americans question the Big Bang theory, and 54 percent of Americans believe that the universe is so complex that there must have been a designer.** This poll made some scientist angry and they declared **“the appearance of Intelligent design is just an illusion”.** In other words, they are telling us, don't believe what science its-self is proving.

The Return to Theoretical Physics

- The idea that **there are certain features of life and the universe that are best explained by intelligent design and not by just an undirected process is not new**, although as we know, it lost favor with many scientists in the 19th century.
- But this thought process of intelligent design has returned **because of recent discoveries in science. Such things as the digital code in D.N.A and tiny “nano” machines and circuits found in cells.**
- The fine tuning of the laws of physics. The term “fine-tuning” in physics refers to **properties of the universe that fall within extremely narrow and improbable ranges that turn out to be necessary for life.**

Famous Scientist Who Believed in Theoretical Physics

Isaac Newton (1643–1727) – Father of Modern Physics

Newton is best known for formulating the laws of motion and gravity, discoveries that forever changed science. Yet Newton didn't believe the universe explained itself.

He wrote: ***“This most beautiful system of the sun, planets, and comets could only proceed from the counsel and dominion of an intelligent Being.”*** For Newton, studying the cosmos wasn't about replacing God, **but about discovering how God designed the cosmos to work.**

Albert Einstein (1879–1955) – Unlocking the Universe

Einstein was not traditionally religious, but he was not an atheist either. **He often spoke of a mysterious intelligence behind the universe.**

He once said: ***“The more I study science, the more I believe in God.”***

Einstein admired the order of natural law. To him, the fact that the universe followed rational, mathematical principles pointed to something profound — **a mind greater than ours.**

Max Planck (1858–1947) – Father of Quantum Theory

Planck, the scientist who opened the door to quantum physics, openly expressed his belief in God.

He declared: ***“Both religion and science require a belief in God. For believers, God is in beginning, and for physicists, He is at the end of all considerations.”***

For Planck, science and faith weren't opposites, but two sides of the same coin. Both pathways to truth.

Dean Kenyon (b. 1939) – Biologist, Co-author of *Biochemical Predestination*

Originally an advocate of chemical evolution, Kenyon changed his stance when studying DNA. He concluded: ***“We have compelling evidence that the origin of life was the result of intelligent design.”***

Werner Arber (b. 1929) – Nobel Prize in Physiology of Medicine

Arber, who studied DNA and genetic engineering, said: ***“Although science may explain how genetic systems work, it cannot explain their origin. Their complexity suggests design.”*** DNA is not just chemistry — it's information, a coded language with 3 billion letters spelling instructions for life. Random chemical reactions cannot explain how such a vast library of meaningful information came to exist.

Intelligent Design = Patterns, Laws, Order, Beauty

What This Means for Us

These scientists were not weak-minded or ignorant. They were among the most brilliant humans to ever live. **Yet their search for truth led them not away from God, but toward Him.**

When they looked at the universe, they didn't see chaos — **they saw order.** They didn't see emptiness — **they saw design.**

Even today, as science grows more advanced, the fundamental question remains: **Why is the universe so perfectly balanced, so rich in laws, patterns, and beauty?**

God The Great Designer, Creator of the Universe

- **CS Lewis Institute, FINE-TUNING AND THE EXISTENCE OF GOD**
- **By Christopher L. Reeseon March 1, 2026 [Christopher L. Reese, Challenging Questions](#)**

Conversely, the design hypothesis is simple (one Creator) and, as noted earlier, **draws on our universal experience that only minds design things. Fine-tuning thus provides compelling evidence that God exists and intended to create life.** And this sounds very much like the kind of God we find described in Genesis who creates the heavens, the earth, and all living things. (In addition to Genesis 1, see also Ps. 8:3–8; Neh. 9:6; Is. 45:12; Acts 14:15; Rev. 10:6.)

Leading Atheists Admit That A Fine-Tuned Universe Is Evidence For God

BY [ROBERT CLIFTON ROBINSON](#) ON JANUARY 12, 2025

[HOME](#) › [ROBERT CLIFTON ROBINSON](#) › LEADING ATHEISTS ADMIT THAT A FINE-TUNED UNIVERSE IS EVIDENCE FOR GOD

Scientific Evidence for God: A Fine-Tuned Universe

Imagine a control board before you with 200 dials. In order for our universe to exist and be able to support human beings on a planet like Earth, each of these 200 dials (constants) must be set at a precise setting. If you miss this precise setting on any of the 200 dials, the universe will collapse back upon itself and cease to exist.

If you are going to create a universe like ours, you must know what the setting for each of these 200 constants must be before you begin to create the universe. If you don't know, and just one of these constants is off by as little as 1 part in 10^{40} , the universe will collapse before it begins.

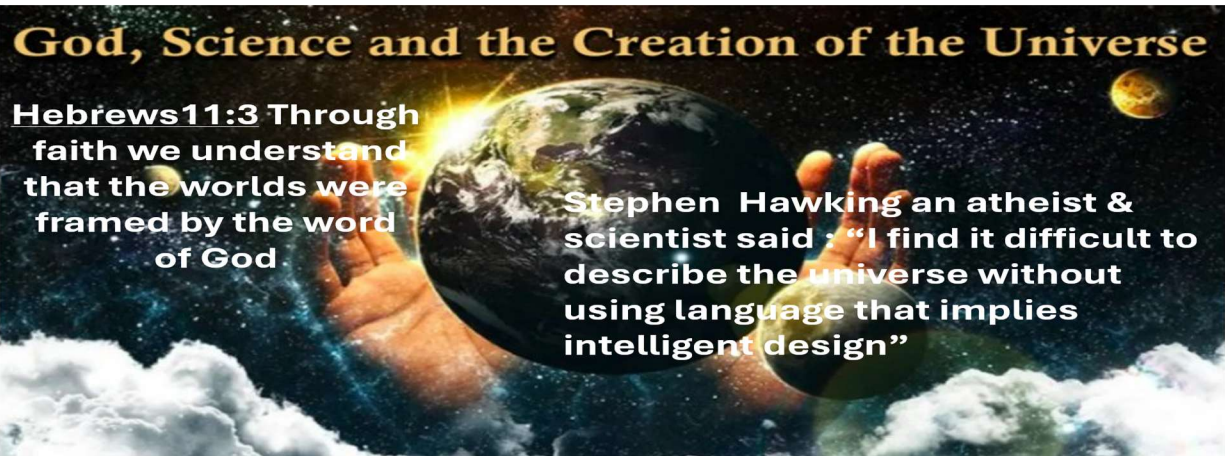

Robert Clifton Article Continued

Physicist and Cosmologist Paul Davies confirmed the likelihood that the correct ratio of gravity to electromagnetism could have occurred by accident as a 1-in-10⁴⁰ chance. **The probability that this precise calibration could have occurred on its own would be like trying to hit a coin at the far end of the universe (156 billion light years) from earth with a single shot on the first try. And this is just one of the 209 essential constants that our fine-tuned universe achieved perfectly the first time.**

Evidence For Fine-Tuning Of The Universe: 209 Physical Constants That Make Life On Earth Possible

And yet, on the first try, at the exact moment it was required, gravity and electromagnetism were instantaneously created, and controlled by this perfect balance.

Many Scientist Today Are Starting to See God's Hand in Creation

Without Fine Tunning the World Would not Exist

The most familiar force is gravity. It is responsible for keeping our feet on the ground and holding Earth in its orbit around the Sun.

The Fundamental Constants (Forces)

- **Strong nuclear force**
 - holds subatomic particles together
- **Weak nuclear force**
 - Causes radioactive decay
 - Higgs boson is part of this
- **Gravitational force**
- **Electromagnetic force**
 - Combines electricity and magnetism
- **Matter/anti-matter ratio**
- **Expansion rate of the universe**
 - H in Hubble's Law

→ If any of these were even slightly larger or smaller the universe as we know it would not exist!!!

When Faith and Science Edify Each Other

In Job, we find the words: “He stretcheth out the north over the empty place **and hangeth the earth upon nothing.**” (Job 26:7) Job wrote this long before Issac Newton discovered gravity in 1665 and correctly described the nature of the earth hanging in empty space by the force of gravity that was unseen. God and science do edify one another over and over again.

In 700 BC Isaiah Said the
Earth Was Round.

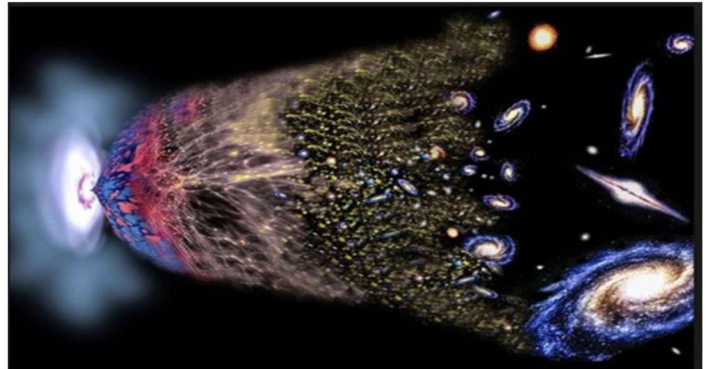

Isaiah 40:22 It is he that sitteth upon the circle of the earth, and the inhabitants thereof are as grasshoppers? **that stretcheth out the heavens as a curtain, and spreadeth them out as a tent to dwell in.**

One of the first to think the earth was round was Aristotle in Greece 400 BC. Then Magellan demonstrated it in the Middle Ages. Man did not acquire the ability to see the earth until 1946 from a V-2 rocket, it showed the curvature of the earth. The next was in 1959 from the explorer 6 satellite, which took pictures of the full earth from space. The first color photo was in 1968.

Written 1000 BC: Psalms 104:2 Who coverest thyself with light as with a garment; **who stretchest out the heavens like a curtain.** Also, Isaiah 40:22 and 11 other references in the bible speak of the heavens as a curtain.

Scientist today believe that in the inception of the universe it expanded from one side to the other like a curtain.

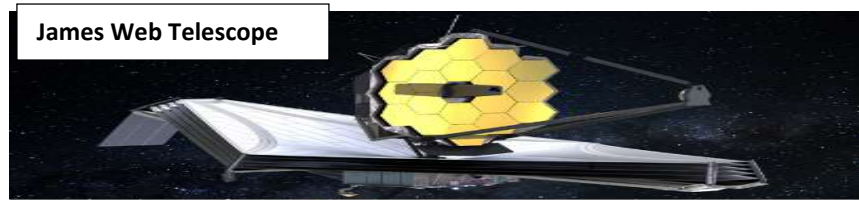

God the Creator of Heaven and Earth

Isaiah 45:12 I have made the earth, and created man upon it; I, even my hands, have stretched out the heavens, and all their hosts have I commanded.

Today We Can Understand More Fully the Creative Power of God Because of Science

Isaiah 40:26 *“Lift up your eyes on high, and behold who hath created these things, that bringeth out their host by number; he calleth them all by names by the greatness of his might, for that he is strong in power; not one faileth.”*

The Heavens Declare His Glory and Shout = God Created

Our Galaxy = The Milky Way = David of Old Saw the Glory of God in the Heavens and Testified of It!

Whirlpool Galaxy

A Cross in the Cosmos? Prepare to be amazed by this incredible discovery from the heart of the Whirlpool Galaxy! In 2005, NASA's Hubble Space Telescope and Chandra X-ray Observatory unveiled a stunning sight: a distinct cross-shaped structure surrounding a supermassive black hole, 31 million light-years away!

While astronomers explain it as natural dust lanes, its perfect symmetry has captured global attention and sparked wonder, especially among those of faith. 🙏 For many, it's more than just cosmic dust—it's a powerful symbol, a cross imprinted into the very fabric of the universe. A reminder of something vast and beyond our comprehension. As Colossians 1:16 beautifully states: "By Him all things were created—in heaven and on earth . . . all things were created through Him and for Him."

The God you pray to is the God who breathes out stars and has put His maker's stamp upon the heavens. To me the Hubble Cross speaks to my eyes and my heart of God's Creative Power. From my generation going forward, we should have more faith than any other generation in the past. Other generations looked at the stars and believed God made them, but they did not see what we see today. You have seen His maker's stamp—something no other generation before you has seen. Scientists say it is just dust = it's ok with me if He has made His maker's stamp out of dust. He can sign His work however He wants to; He is God!

3 Nephi 4:44 Behold I am Jesus Christ, the son of God. I created the heavens and the earth, and all things that in them are.

Colossians 1:15-16 15 Who is the image of the invisible God, the firstborn of every creature. 16 For by him were all things created, that are in heaven, and that are in earth.

Speaking of Jesus, the Son of God

John 1:2 The same was in the beginning with God. **3** All things were made by him; and without him was not anything made.

By Hand, Word and Breath, He Created

Psalms 19:1 The heavens declare the glory of God; and the firmament showeth his handiwork.

Ephesians 2:10 For we are his workmanship, created in Christ Jesus.

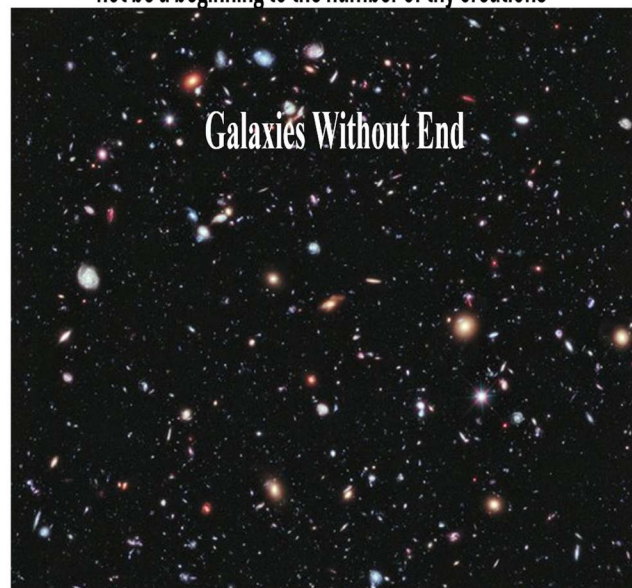

Psalms 33:6 By the word of the Lord were the heavens made; and all the host of them by the breath of his mouth.

Genesis 1:14 And I, God, saw that all things which I had made were good.

Hubble Extreme Deep Field

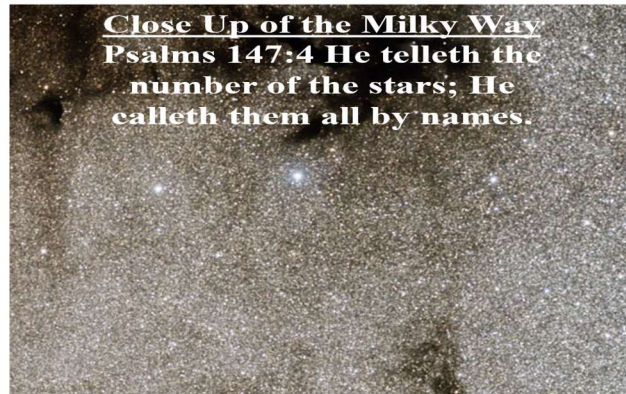

Genesis 7:36 And were it possible that man could number the particles of the earth, yea, and millions of earths like this, it would not be a beginning to the number of thy creations

DC 22:21c And worlds without number have I created, and I also created them for mine own purpose; and by the Son I created them, which is mine Only Begotten.

Several years ago, at reunion the Lord spoke to us and said: **“look at the heavens and all my creation and know that I am God.”**

Science and Scripture Come Together

Gen 1: 4 And the earth was without form, and void; and I caused darkness to come up upon the face of the deep. 5 And my Spirit moved upon the face of the waters, for I am God.....

9 And again, I, God, said, Let there be a firmament in the midst of the waters; and it was so, even as I spake. And I said, Let it divide the waters from the waters; and it was done.

10 And I, God, made the firmament, and divided the waters; yea, the great waters under the firmament, from the waters which were above the firmament; and it was so, even as I spake.

11 And I, God, called the firmament heaven. And the evening and the morning were the second day.

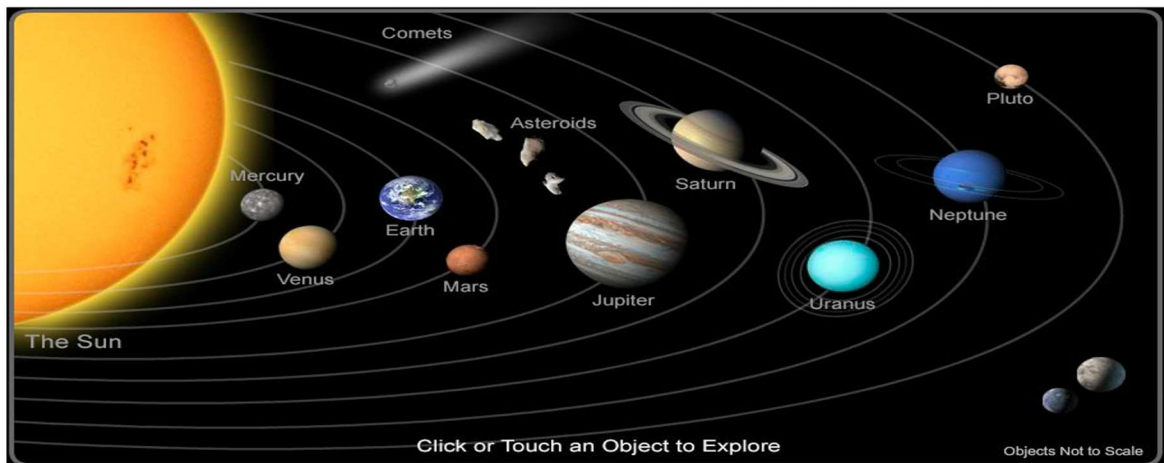

The oceans of water in space were discovered by astronomers led by Matt Bradford at NASA's Jet Propulsion Laboratory. This discovery involves a massive reservoir of water surrounding a quasar, APM 08279+5255, located over 12 billion light-years away. The water is estimated to be equivalent to 140 trillion times the volume of all Earth's oceans combined. This finding highlights the presence of water throughout the universe, even in its earliest stages. sciandnature.com +5

Looking into the Heavens Should Build Up Your Faith

Alma 16:54 “The scriptures are laid before thee, yea, and all things denote there is a God yea, even the earth, and all things that are upon the face of it, yea, and its motion; Yea, and also all the planets which move in their regular form, doth witness that there is a Supreme Creator

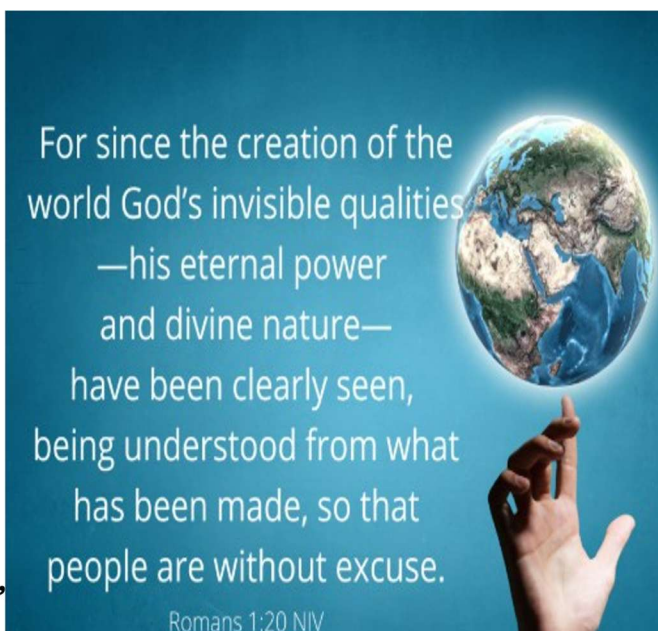

We Are Without Excuse

Hebrews 11: 6 But without faith it is impossible to please him; for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him.

7 By faith Noah, being warned of God of things not seen as yet, moved with fear, prepared an ark to the saving of his house; by the which he condemned the world, and became heir of the righteousness which is by faith.

8 By faith Abraham, when he was called to go out into a place which he should after receive for an inheritance, obeyed; and he went out, not knowing whither he went.

Genesis 7:42 Behold, I am God; Man of Holiness is my name; Man of Counsel is my name; and Endless and Eternal is my name also. Wherefore I can stretch forth my hands and hold all the creations which I have made, and mine eye can pierce them also.

DC 12:5a Behold, I am Jesus Christ the Son of the living God, who created the heavens and the earth.

I Cor. 14:33 For God is not the author of confusion

Order Never Comes From Disorder

The universe is not chaos. It is deeply ordered:

Mathematical laws

Precise constants

Stable forces

Predictable behavior

Explosions do not create order

Explosions don't produce spiral galaxies

Explosions don't produce complex cells

Explosions don't produce information

A bomb in a print shop doesn't produce a dictionary

Laws Require a Lawgiver (Physics Cannot Explain Itself)

Science does not create laws----- it discovers them.

Laws do not cause matter-----

They govern matter.

A law without a lawgiver is not an explanation-----it's a label.

Blind matter does not write equations.

Paul tells us this in = Colossians 1: 15-1
"Who is the image of the invisible God, the firstborn of every creature. For by him were all things created, that are in heaven, and that are in earth, visible and invisible, whether they be thrones, or dominions, or principalities, or powers; all things were created by him, and for him; And he is before all things, and by him all things consist."

Consist = Means in the Greek, To Hold Together

DNA = Intelligent Design

The Machine code of the genes is uncannily computer-like. Apart from the differences of jargon, the pages of a molecular biology journal might be interchanged with those of a computer engineering journal.

Just having the information in our DNA isn't enough. By itself, a DNA molecule is useless. You need some kind of machinery to read the information in the DNA and produce some useful output.

A lone DNA molecule is like having a DVD and nothing more. A DVD might carry information, but without a machine to read that information, it's all but useless

To read the information in a DVD, we need a DVD player.

In the same way, our cells are equipped with machinery to help process the information in our DNA.

That machinery reads the commands and codes in our DNA much as a computer processes commands in computer code

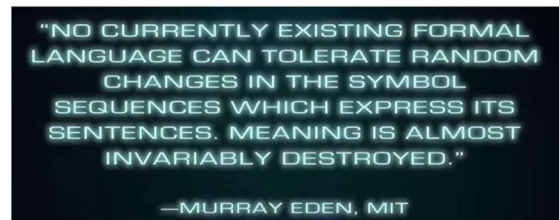

We Know There Are Many Scientist Who Declare There is No Intelligent Design But This Was Prophesied Many Years Ago

Isaiah 29:26 I will proceed to do a marvelous work among this people; yea, a marvelous work and a wonder; **for the wisdom of their wise and learned shall perish, and the understanding of their prudent shall be hid.**

27 And woe unto them that seek deep to hide their counsel from the Lord. And their works are in the dark; and they say, Who seeth us and who knoweth us? And they also say, Surely, your turning of things upside down shall be esteemed as the potter's clay. **(Darwin Turned things upside down)**

28 But behold, I will show unto them, saith the Lord of hosts, that I know all their works. **For, shall the work say of him that made it, He made me not? or shall the thing framed say of him that framed it, He had no understanding?**

"A Scientific Dissent from Darwinism" (or "Dissent from Darwinism") **was a statement issued in 2001 by the Discovery Institute**

The "**Scientific Dissent from Darwinism**" list currently tops a thousand names of PhD scientists who publicly declare their skepticism in the face of absolutist claims for evolutionary theory.

Scientist from: University of Washington, Harvard University, Penn State University, University of Georgia, Berkeley, MIT, UCLA, Universities from England, Russia and Universities from all over the World = **It reads: "We are skeptical of claims for the ability of random mutation and natural selection to account for the complexity of life. Careful examination of the evidence for Darwinian theory should be encouraged."**

No Proof for Evolution

No Transitional Forms — No Evolutionary Path

If evolution were true, the fossil record should be overflowing with transitions. It is not. What we actually find:

- Fully formed fish
- Fully formed reptiles
- Fully formed birds
- Fully formed mammals
- Fully formed humans

What we never find:

Half Wings

Half Lungs

Half Eyes

One kind turning into another

We do find everything suddenly appears complete and functional:

The Cambrian Explosion= (Evolution's Nightmare)

In the Cambrian layer: Dozens of major animal body plans appear suddenly.

Fully formed organs and complex systems

No ancestral buildup beneath them

Evolution predicts gradual change.

The fossil record shows sudden appearance.

That fits creation.

It contradicts evolution.

Darwin Himself often spoke about the improbability of his own theory. He listed 10 things that made his theory seem improbable. I will share a few here:

1. The Complexity of Eyes

Darwin states, "To suppose that the eye with all its inimitable contrivances for adjusting the focus to different distances, for admitting different amounts of light, and for the correction of spherical and chromatic aberration, could have been formed by natural selection, seems, I freely confess, absurd in the highest degree." (Charles Darwin, *The Origin of Species* (New York: NAL Penguin Inc., 1958 p. 168)

5. Complex Instincts

Darwin acknowledges, "Many instincts are so wonderful that their development will probably appear to the reader a difficulty sufficient to overthrow my whole theory." (p. 228)

10. Sudden Appearance of New Forms of Life

Darwin states, "The abrupt manner in which whole groups of species suddenly appear in certain formations, has been urged by several paleontologists — for instance, by Agassiz, Pictet, and Sedgwick — as a fatal objection to the belief in the transmutation of species." (p. 305)

Hoaxes Abound

Evolutionary Hoaxes and Manufactured Evidence

Because real transitions are missing, history includes frauds:

Pittdown Man — deliberate hoax

Nebraska Man — entire ancestor from one tooth (later a pig)

When experts announced the discovery of “*Archaeoraptor liaoningensis*” in 1999, the world paid attention: This supposedly extinct animal from China, whose fossilized remains suggested traits of both birds and dinosaurs, provided seemingly conclusive proof that birds descended from dinos.

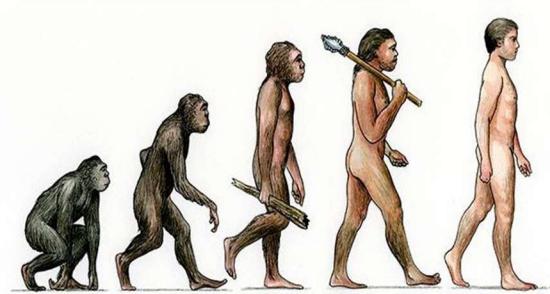

Further scientific scrutiny revealed that this avian “missing link” was nothing more than a mashup of parts jammed together by cunning forgers.

Darwin Thought Cells Were Just Blobs of Jelly

**The Cell: A Factory, Not a Blob,
A living cell is a miniature city of machinery.**

For life to exist at all, a cell requires everything at once: could not have evolved for you have:

1. DNA with billions of letters of code
2. A Nucleus to protect the code
3. RNA to transmit instructions
4. Ribosomes to translate code into proteins
5. Proteins acting as machines
6. Mitochondria producing energy

Misleading, deceptive things are still found in High School and University Textbooks that were exposed as fraud over 90 years ago! *Evolutionists turn a quite blind eye, because this fraudulent data is the best they have!*

Exaggerated ape fossils labeled “missing links”

- What we actually find:
- Apes are apes
- Humans are humans
- Neanderthal and Cro-Magnon are fully human
- There is no half-ape, half-man.

7. Cytoplasm as the operating environment for Waste removal and repair systems.

8. Remove any one part and the cell dies. There is no such thing as a half-cell.

9. Irreducible Complexity (The Fatal Loop) DNA does not work alone. DNA requires cellular machinery to be read.

10. Cellular machinery requires DNA instructions to exist

Which came first?

Neither can exist without the other.

This is irreducible complexity.

Step-by-step evolution cannot build such systems.
